"In every case the accused will be entitled to name his own counsel. ARTICLE IV.

"The German Government undertakes to furnish all documents and information of every kind, the product Urges Him to Continue Support of tion of which may be considered necesmary to insure the full knowledge of the incriminating acts, the discovery of the offenders and the just appreciation of the responsibility."

BORAH KEEPS UP FIGHT ON LEAGUE OF NATIONS

Unconcerned by the Changes in the Covenant Adopted in Paris.

WASHINGTON, April 28.-Publicalion by the State Department to-day of the revised covenant of the League of Nations gave the text of the document to the American people several hours in advance of its presentation to the Peace Conference in plenary session at Paris.

were out of the city to-day, including Senator Lodge of Massachusetts, who will be the next chairman of the Senate Foreign Relations Comulttee, and Senator Hitchcock of Nebraska, retiring chairman,

Senator Borab, leader of the op position, declared that the amend ments would not result in any compromise on the part of the league's fees in this country. Senator Johnson, California, said:

'I am studying the League of Nations as an American—a selfish, provincial little American, if you please; but with my whole thought for my country. am only an American, for A rerica first."

Borah announced to-day that he i to resume his speechmaking against the league. His next tour may take him to the Pacific coust

AMBASSADOR PAGE GOES TO PARIS FROM ROME

Recent Reports of Resignation Because of Wilson's Stand on Fiume Were Denied.

ROME, April 28.-Thomas Nelson the American Ambassador to Italy, has left Rome for Paris.

An Italian newspaper report from ome received by the Associated Press n April 25 said that Ambassador Page had offered his resignation because he had been made "acquainted with Presdent Wilson's views on the Italian Claims." The statement was authorred at the State Department in Washngton on that day, however, that here was no foundation for this reort. It was added that there had een various reports since the armisice that Ambassador Page would reign soon to resume his literary work st opinion on the part of State Department officials was that whatever Mr. Page's personal plans for the fu ture might be he would not conside

Fourteen Points "Despite All-Diplomatic Jobbery.

PARIS, April 28. DELEGATION of members A of the French Federation has presented to President Wilson an open letter, signed by Secretary Laurent, expressing on behalf of French workers an unreserved indersement and an expression of admiration for the President's action relative to the Flume question, which, the letter says, was "directed against tmperialism and annexationism."

Mr. Wilson was begged in the letter to continue his "stand on the fourteen points, despite all diplomatic jubbers."

The capture of Olonetz by forces opposed to the Bolsheviki may have an important effect on the Allied campaign along the Murmansk Rail way and, through it, on the situation in the Archangel region.

A Stockholm report Sunday said that a revolt had broken out in Olenetz and it is possible that the Holshevik force facing Gen. Maynard in ommand of the Allied forces, may be cut off if the anti-Bolsheviki advance from Olonetz. If the Murnansk Railway line can be cleared as far south of Olonetz, the Allies "ill e in position to outflank the Bolsheviki south of Archangel, who also are threatened by the Siberian adance in the Viatka region.
